

## *Honda Science Internship Program*

*What:* The Science Barge is a floating sustainable urban farm located in the Hudson River in Yonkers, NY. With the generous help of American Honda, Groundwork Hudson Valley will be offering **paid** internship positions on board the Science Barge. Students will be offered weekly environmental workshops and will be expected to lead the public on tours of the Science Barge.

*Who:* Groundwork Hudson Valley is seeking students ages 16+ who have an interest in science and environmental issues. Willingness to work outside in all conditions is necessary, and the ability to swim is a plus.

*When:* September 28<sup>th</sup> – November 13<sup>th</sup> (7 weeks total)  
Mondays and Wednesdays from 3:30pm-5:30pm  
Saturdays or Sundays from 12pm-5pm

*Where:* Applicants who are interested in this position must contact [devon@groundworkhv.org](mailto:devon@groundworkhv.org). Interviews will be held at the main office on 6 Wells Avenue in Yonkers, date TBD. Please respond by September 18th if you are interested.

*Why:* To gain a deeper knowledge of the importance of urban farming and sustainable energy as well as a core understanding of science, ecology, chemistry, botany and physics.
