

THE SCIENCE BARGE PRESENTS SUMMER SERIES

1-3pm

Join us for free, hands-on
activities for the whole family!

**SAT.
AUGUST 8TH**

MINI-BEAST BONANZA!

Did you know that most of the organisms on our planet are smaller than a softball? They don't even have backbones, but they keep nature from collapsing. Come take a closer look at our multi-legged invertebrate friends.

**SUN.
SEPT. 13TH**

BUILD A BIRD!

Do you know why birds have different kinds of beaks? Or wings? Or feet? Come to The Barge to find out and design your own wacky bird!

**SAT.
OCT. 10TH**

TERRARIUM TIME!

In nature, it's all about balance. We'll tell you all about it so you can build your own balanced mini-ecosystem.
